📜 **Code of Conduct with Children and Youth (Foundation Inicjatywa)**

We work with children and young people of different ages, cultures, languages, and life experiences, including children with migration and refugee backgrounds.

Our priority is the safety, respect, and well-being of the child.

- 🔒 **Safety –** physical, emotional, and psychological. Physical contact is possible only when necessary (e.g., threat to health) and with the consent of the child/parent.
- 💬 **Understanding and respectful communication –** we do not shout, humiliate, or shame. We explain the rules calmly and respectfully.
- 🧸 **Right to play and self-expression** – play is important for development and integration. We support the child's creative self-expression.
- 👉 **Equality and inclusion** – all children are equal, regardless of language, culture, gender, religion, or nationality. No one is singled out or discriminated against.
